Home Study Ideas

Mark & Annette Anderson

While our family consists of just the two of us, we have come to love Sunday mornings, as we study the week's "Come Follow Me" reading assignment. Sometimes we make it through the entire reading assignment. Sometimes we are able to get through just a chapter or two because of the discussion we have of the applicability of what we read.

We love how the Book of Mormon talks about our day, and what we need to do to be protected from the snare of the adversary. We trust in the promises made by the first presidency 25 years ago when we were invited to read the Book of Mormon as families, which were that by reading each day:

- Those who read the Book of Mormon will be blessed with an added measure of the Spirit of the Lord.
- A greater resolve to obey His commandments.
- A stronger testimony of the living reality of the Son of God.

Who doesn't need those blessings! The Book of Mormon was written for us today. The Book of Mormon exposes the enemies and tactics of Satan and his followers. The simple invitation of reading and studying the Book of Mormon will give your family added protection for safety, peace, and protection against the destructive elements of what the Book of Mormon warns us about.

The Anderson family loves the Book of Mormon and its promises!

Special Book of Mormon Videos Episode Celebrates Church's Founding Event

A special episode of the *Book of Mormon Videos* series has been published to celebrate the 200th anniversary of the first appearance of God the Father and His Son Jesus Christ, to Joseph Smith, prophet and first president of The Church of Jesus Christ of Latter-day Saints.

The new video portrays the prophet Moroni in the ancient Americas as he struggles to protect and add to the record of his people before depositing the record in the Hill Cumorah for safekeeping.

This new video and all Book of Mormon videos are available on the [Gospel Media](#), [Gospel Library](#) and Church [Book of Mormon Videos](#) YouTube channels. "...we declared that the Book of Mormon is a book that testifies that Jesus is the Christ, the Savior of the world. Great prophets throughout the Book of Mormon have borne solemn witness that Jesus Christ is the Creator of the earth (see Mosiah 3:8), the Redeemer of mankind (see Helaman 5:9-12), the Only Begotten of the Father (see 1 Nephi 11:18-21; Jacob 4:11). These Book of Mormon prophets knew Him, as Abraham and Moses did, and received and taught His everlasting gospel. As we read and study their words, we gain a deeper understanding of the Savior's matchless love, His perfect life and example, and the blessings of His great atoning sacrifice.
