## ‘Old Testament Stories’ has rewritten stories and new artwork, just in time for ‘Come, Follow Me’ 2022

The Church of Jesus Christ of Latter-day Saints has refreshed the illustrations and writing of “[Old Testament Stories](#)” in preparation for the Churchwide [study of the Old Testament in 2022](#).

“Old Testament Stories” includes over 350 vibrant and kid-friendly illustrations, which help convey the context and emotions of the stories.

The [Scripture Stories](#) are a way the Church is supporting the home-centered approach to gospel learning. When needed, “Old Testament Stories” is a visual resource to individuals, families and teachers. Most lessons in “[Come, Follow Me](#)” will have at least one corresponding Old Testament story.

In addition to the updated artwork, all 50 stories in the refreshed “Old Testament Stories” have been animated and narrated in new videos. These videos, enriched with music and visuals and audio effects, Gibson said, further help children and youth gain a love for the inspiring experiences and people in the Old Testament.

“Old Testament Stories” and its accompanying videos are available on [Gospel Library](#), the [Gospel for Kids app](#) and [YouTube](#).

*“The greatest compliment that can be earned here in this life is to be known as a covenant keeper. The rewards for a covenant keeper will be realized both here and hereafter. Scripture declares that “ye should consider on the blessed and happy state of those that keep the commandments of God.” For behold, they are blessed in all things, ... and if they hold out faithful to the end they are received into heaven ... [and] dwell with God in a state of never-ending happiness.”*
