*"The restoration of the priesthood, along with the Lord's counsel to Emma, can guide and bless each of you. How I yearn for you to understand that the restoration of the priesthood is just as relevant to you as a woman as it is to any man. Because the Melchizedek Priesthood has been restored, both covenant-keeping women and men have access to "all the spiritual blessings of the church" or, we might say, to all the spiritual treasures the Lord has for His children."*
